**A minor girl aged about 14 years who was awarded a compensation of Rs.25,750/- for certain fleshy injuries sustained by her is the appellant. Appellant sustained lacerated sutured wound over the posterior aspect of left thigh, lacerated wound on the back of left thigh and contused abrasion on the left leg. Considering the nature of injuries sustained, age of the appellant, etc., I am of the view that the compensation awarded by the Tribunal was reasonable. I do not find any reason to interfere with the impugned award. The appeal is without any merit and the same is only to be dismissed.**

**In the result, appeal is dismissed.**
